NOTABLE CHRISES OF
WISCONSIN
(PSST...WE'VE GOT A FEW TOO)

1990-1992

(1990)
Live from New York it's Chris Farley's debut on SNL
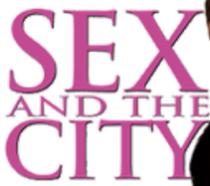

MADE IN WISCONSIN

(1993)
Live from Wisconsin, Payroll Data is established in Hartland (by a Dave, but he planned to hire a Chris)

1993-2003

(1998)
Mr. Big (Chris Noth) catches Carrie's eye on the Sex & the City pilot

(2003)
Payroll Data has caught the eye of close to 1000 clients to become the fastest growing HCM company from WI (and we finally hired a Chris)

SEX AND THE CITY

2004-2010

PURSUIT of HAPPYNESS

(2009)
The Pursuit of Happyness is released, inspired by the life of Wisconsin native, Chris Gartner

(2006)
Payroll Data releases our signature Orbit products to bring a single solution to the market (and we now have 10+ Chrises on staff- but some use a "K")

2011-2015

(2011)
Green Bay Packers lead the league and earn another Superbowl victory (including Offensive Tackle, Chris Campbell on the team)

(2014)
Payroll Data leads a HCM revolution for over 100K+ users and close to 5,000 clients nationwide. (Chrises across the country become part of our HR family)

SUPER BOWL XLV

2016-NOW

Please welcome THIS CHRIS

(2016)
Chris Lauten makes his best career move yet, becoming VP, Business Development at yours truly, and tackles your toughest HR challenges with a smile

(RIGHT NOW)
Payroll Data (with the help of a dozen Wisconsin-based Chrises) are simplifying HR for companies throughout the US (listen closely and you can actually hear the sighs of relief!)

WWW.PAYROLLDATA.COM/WISCONSIN

For 20+ years, Payroll Data has been perfecting a flexible, customizable HR solution. And, while we are a trusted, valuable partner to thousands of companies across the U.S., **we are Wisconsin**.

Established, headquartered, and employing hundreds in the area, our leadership, team, and core values all stem from our locale and the place we call home. From the famous-named Chrises to our own superstars in Hartland and Madison, Wisconsin-based Payroll Data, is dedicated to providing the best HCM, and making your life a little easier.
